WOODCLIFF

I am a subscriber to the Herald and think it a very fine paper, and I enjoy reading it very much, as I see letters from many people I know and some I don't; but I enjoy it just the same. I am sure some of the writers know me. I was born near Gainesboro in 1896. I am the son of Rev. O. A. Kirby of Bold Springs, Tenn. My mother was the daughter of J. R. Spurlock of Gainesboro. She died when I was very young, leaving my father to do the best he could for us. I have two sisters and one brother who seem very dear to me.

Sunday school at this place is progressing nicely with a large regular attendance. We feel it a great help to our country.

Mrs. John McDaniel is very poor at this writing.

Misses Myrtle and Ethel Swafford were guests of Louis Swafford of Livingston last week.

Philip Grant is usually seen at Turner call's lately.

PASCHALL KIRK

COOKEVILLE ROUTE 9

Myrtle Whitson visited the writer one day this week.

Gordie Brewington, Sallie Dyer and Willie Kirby went to McBroom Chapel Sunday.

Jane Brewington and her son visited her sister at Baxter Saturday.

JANE BREWINGTON.

"See 'Gets-It' Peel Off This Corn."

Leaves The Toe as Smooth as the Palm of Your Hand.

The corn never grew that "Gets-It" will not get. It never irritates the flesh, never makes your toe sore. Just two drops of "Gets-It" and presto! the corn-pain vanishes. Shortly you can peel the corn right off with your finger and there you are—pain-free and happy, with the toe as smooth and corn-free as your palm. "Gets-It" is the only safe way in the world to treat a corn or callus. It's the sure way—the way that never fails. It is tried and true—used by millions every year. It always works. "Gets-It" makes cutting and digging at a corn and fussing with bandages, salves or anything else entirely unnecessary. "Gets-It" is sold by all druggists (you need pay no more than 25 cents), or it will be sent direct by E. Lawrence & Co., Chicago, Ill.

It's Wonderful to See "Gets-It" Peel Off Corn!

off with your finger and there you are—pain-free and happy, with the toe as smooth and corn-free as your palm. "Gets-It" is the only safe way in the world to treat a corn or callus. Proof From Monterey

Monterey Citizens Speak Out Publicly

In Monterey we find that people are praising Doan's Kidney Pills as highly as here in Cookeville. Being so near by, the statement of a Monterey resident is of particular interest. Cookeville people will do well to profit by the experience of T. A. Roberson, farmer, R.F.D. No. 1, Monterey, Tenn. He says: "My kidneys gave me a lot of trouble and I had a dull ache in my back and shoulders. I couldn't rest well and was so lame and stiff mornings that I could hardly get about. The kidney secretions passed irregularly and most of the time were profuse. Colds settled on my kidneys and I was bothered by rheumatic twinges. When I read about Doan's Kidney Pills, I used them and they gave me great relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Roberson had. Foster-Milburn Co., Props., Buffalo, N. Y.

CAMP JACKSON, S. C.

Dear Editor: I will amuse myself this lonely afternoon by writing to your excellent paper. I guess the first thing I had better tell about is our Easter egg hunt. This being Easter Sunday we had an egg hunt provided for us by our regimental canteen. There were 1,800 eggs hidden and the boys were called together at the canteen and given instructions as to about what vicinity the eggs were hidden in, and then they gave us orders to go, and the fastest runners got in the game first. The one finding the golden egg, by presenting it to manager of the canteen received a \$5.00 canteen book, and two silver eggs, each winning a \$3.00 canteen check book. Some may not understand what is meant by a canteen. That is the name given to the stores in the army, one belonging to each regiment. I think that most of the boys enjoyed their hunt. It was my first to attend in the army. I am sure I would have enjoyed being in old Putnam county much better, but as I could not be there I made it go the best I could.

I visited O. L. Green this afternoon and found him smiling all over his face. He had just received a letter from his girl, and it surely had something good in it or he would not have looked so well pleased.

A large number of the boys have gone to Columbia to the parties. The churches all gave an Easter party for the soldiers. I would enjoy going to some country church and listening to some good man talk about the love of our blessed Savior, who died on the rugged cross that through his death we might not die but have life eternal, and if more of us would try to do his holy will I am sure times would be better presently.

Some of the boys say it is impossible to live Christian lives in the army, but that is a sad mistake. There are many temptations in the army that are not so common at home, but the Holy Scriptures say that God never tempts us above what we can bear. We have none of us borne what our blessed Savior had to bear, and now is the time for us to do more than we have ever done heretofore. Let us put on the whole armor of God and fight our battles bravely.

I will close before I make the editor mad and he won't want to hear from me any more.

I ask the prayers of all of God's people, as I know a large number of them read the Herald.

321 M. G. Co. F. T. MOORE.

ORANGE, TEXAS

This is a rainy day here and it is a blessing to the farmers and gardeners, and that helps us, too.

Since giving you an account of the War Mystery, the largest wooden ship in the world, we have launched her sister ship, the War Marvel. She is exactly like her sister ship, and was launched with even a greater success. She also goes to the Cunard line. We are now working on six vessels of the same size for Uncle Sam, and will launch the first of them in the next few weeks.

Yesterday the employees of the National Shipyard were attracted by the blast of whistles up and down the Sabine river, so we all made a rush for a point of view, and our eyes were greeted with a beautiful sight, for coming down the river was the five mast sailing vessel that was launched some six weeks ago. "She was fully equipped with everything to make her seaworthy, nicely painted, carrying the Stars and Stripes on the topmast, waving briskly in the breeze; also the code flags from stem to stern, spelling her name, The City of Gulfport. She was leaving on her maiden voyage to carry the boys supplies across the seas and was given a great farewell by all the whistles and loud shouts of joy from the men at our yard, all wishing her a successful trip over and a safe return.

LABOR WANTED

Both White and Colored
On the Old Hickory 60-Million Dollar
Powder Plant at Nashville, Tenn.

Good Wages. Several months steady employment. Good living quarters. Meals at very reasonable rates. Work just starting.

Will also need mechanics very soon. Further notice will be given as to when.

No place for floaters.

Come at once and come prepared to stay.

Apply at

DuPont Engineering Company

Employment Bureau

160 Eighth Street, North

Nashville, Tenn.

We were visited last Tuesday by nine airplane all in one flock. They came over from Port Arthur to take part in the funeral of a young man who was killed by an airplane falling on him one day last week.

The Masons had a gala time here Wednesday night, being visited by a large number of members from various cities and giving 39 new members the initiation, which was followed by a luncheon given at the Elk's Hall.

I like this place fine, but the mosquitoes are yet plentiful, strong and healthy, as they have about 4,000 of us to eat on to and from our work;

we hang our lunch baskets on one arm and fight them with both hands, and need at least two more.

I am so glad to know that my father, A. F. Byers, has returned from the hospital in Nashville and is now improving.

Hope my sister, Mrs. Tina Whitson, will have good luck raising her chickens as I may come by on a visit. I have not decided yet what conveyance I will use, an airplane, a freight train, crosstie ticket, or may just harness up some of the mosquitoes and come the quickest way.

The Byers family here are all well and able to eat what little we are allowed.

Flour is scarce in Texas and we can only have six pounds per person per month now. Oh, you biscuit eaters, your slats are plenty close together to hold corn, so we will use them for a corn crib. All you farmers must do your best to fill our cribs this fall. We will try and make out on substitutes until then.

Moving the clock up one hour will be some help I think, if it is carried out by all as it is intended by the government. But I can't see where it will help to change the freezing point on the thermometer from 32 degrees to 45, as suggested by some.

L. L. BYERS.

From Youth to Old Age,
Vitazone Helps Everyone

Mr. Sam B. Winder, prominent merchant of Jellico, Tenn., was in despair as to how to cure the ugly skin sores on the head of his eight-year-old boy. One doctor declared it to be a kind of ringworm, another said it was a type of eczema. But an acquaintance of Mr. Winder persuaded him to try VITAZONE on his lad. He bathed the little fellow's head with it and gave him small doses internally. In a week the sores were healed and today the boy's skin is smooth as it should be.

Again, a Kansas woman, 68 years of age has written that she has obtained splendid results from the use of VITAZONE as a nasal spray for her catarrh. After a life time of annoyance in the winter months, she is going through this winter without catarrhal difficulties and is in the best general health in years. Just 60 years difference in the ages of these two patients, but VITAZONE cured them both.

VITAZONE will help you, too. The makers are so sure of it that they guarantee it to satisfy or money refunded. Still more, if your case is unusually chronic and stubborn, they will, upon application, provide for FREE TREATMENT at the VITAZONE Laboratories, under the care of supervising physicians. Write for particulars and for a copy of the VITAZONE Guide to Health Cook Book—FREE for the asking. VITAZONE is for sale by all good drug stores, or sent post-paid for ONE DOLLAR by

DAVIS MANUFACTURING CO.—Jellico, Tenn.

Vitazone is for sale at Wyly's Drug Stores, Cookeville

A Z Randolph

Has bought the Billy Howard old stand, 6 miles southwest of Cookeville and will carry a stock of

GENERAL MERCHANDISE

A share of the public patronage is respectfully solicited. Will pay highest prices for all kinds of country produce.

No. 2636 NONRESIDENT NOTICE

In Chancery Court at Cookeville Tennessee

Charlie Hughes et al vs. Robt. Hughes et al

It appearing from the Cross Bill filed in this cause, which is sworn to that the Defendants J. P. Raulston, Ernest Raulston, Ethel Raulston, Mattie Raulston, Lee Raulston, and Arta Raulston Roach, and her husband are nonresidents of the State of Tennessee, and cannot be served with the ordinary process of law:

It is ordered that said Defendants enter their appearance herein, before the Clerk and Master, at his office in the Courthouse in Cookeville, Tenn., on or before the first Monday in May next, and plead, answer, or demur to Cross Complainants' Bill, or the same will be taken for confessed as to them and set for hearing ex parte; and that a copy of this order be published for four consecutive weeks in the Putnam County Herald, a newspaper published in Cookeville, Tenn.

This 12th day of March, 1918.

W. R. CARLEN, Clerk and Master.

O. K. Holladay, Solicitor for Cross-Complainant.

No. 2625 NONRESIDENT NOTICE

In Chancery Court at Cookeville Tennessee

U. G. Hittsaw et al vs. Jim Hittsaw et al
